

You Don't Have To Go To Extremes To Take Care Of Uncle Sam

A Wells Fargo Home Equity Line Of Credit May Be Able To Help With Your Tax Obligations

With the Prime Rate now at a historic low, a Wells Fargo home equity line of credit may be one of the best ways to manage your financial needs in the tax season. It offers you:

- An interest rate that's lower than most other forms of credit
- Easy access to your available funds by home equity access checks² or the *Enhanced Access*[®] Visa[®] Credit Card³
- Possible tax benefits (consult your tax advisor)
