Printing checks directly from QuickBooks helps you:

■ Keep more accurate records

By eliminating double-entry, printing QuickBooks Checks simplifies bookkeeping, reduces data-entry errors and helps you keep better records.

■ Project a more professional image

Build credibility and stability for your growing business.

■ Save money

Save up to \$30 on the Voucher or Standard Check Value Pack of your choice.
 See pages 7 & 11.

QuickTip

Printing checks is as simple as 1-2-3!
 Find out how easy it is on page 30.

■ Save time vs. handwriting

3 out of 4 QuickBooks customers tell us they print checks in *half the time* it takes to handwrite them. Printing from your QuickBooks software can save you time, enabling you to focus more on your business.

■ Be confident

QuickBooks Checks are specifically designed to work with your QuickBooks software and are the only checks we guarantee to do so.
 See page 31 for details.

Voucher Checks: Ideal for payroll and accounts payable!

STEP ONE: Choose Voucher Checks

- Easily print deductions and itemized details on two detachable stubs.
- Ideal for tracking payee information such as earnings, deductions, expenses or multiple invoices with just one check.
- Perfect for construction, legal, medical and government regulated industries that require strict documentation.

Each 8.5" x 11" sheet contains one check measuring 8.5" x 3.5." NOTE: Additional fees may apply for some Custom Check features.

Logo

Customize! Give your checks an impressive touch by adding your logo, or choose one from our logo library. See page 15.

Custom Fonts and Inks

Customize! Make your name and address stand out with your choice of typestyle and ink color. Pages 14-17.

Security Features

Four distinct security features are built into every check to help protect you from fraud. See page 29.

Shadow Logo

Customize! Optional screen-printed Shadow Logo appears on both the check and payee stub. See page 14.

Alphanumeric Check Numbering

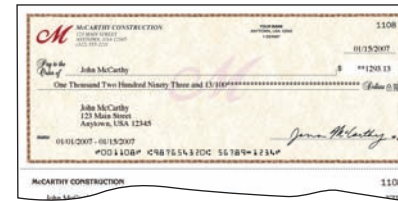

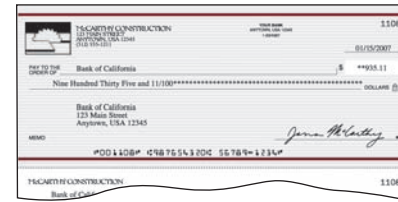

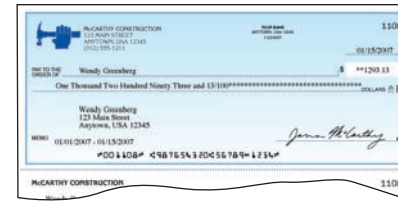

Customize! Add one or two letters before each check number to differentiate between accounts. We also offer **reverse numbering** (numbering on checks printed in reverse order) for easier laser printing. Ask your sales rep to learn more about this convenient feature.

Payment Detail Stub

Recipients can see information such as earnings, payment details and deductions at a glance.

Payment Record Stub

An extra detachable stub for your files simplifies record-keeping.

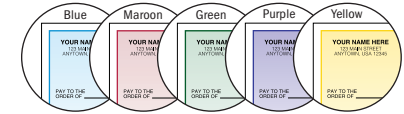

STEP TWO: Choose your Check Design

Classic Design

You can choose from five different colors that graduate softly from vibrant to light.

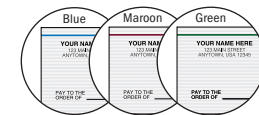

Voucher Check shown at left: Custom Logo in Blue, Korinna typestyle in Black.

Prestige Design

Features a grey striped background with color stripe accents in blue, maroon or green.

Voucher Check shown at left: Standard Logo and Auriol typestyle in Black.

All checks contain security features to help protect against fraud. See page 29.

Antique Design

Traditional beige parchment background with a decorative border.

Voucher Check shown at left: Monogram and Shadow Logo in Maroon, Palatino typestyle in Black.

STEP THREE: Customize your Voucher Checks

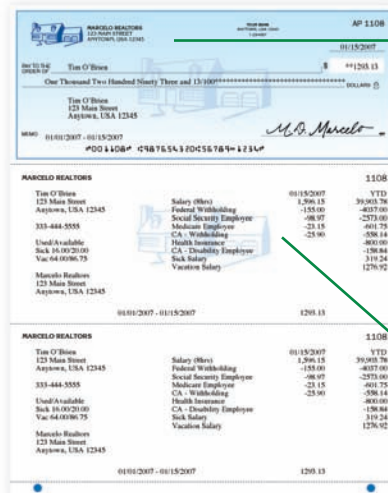

Choose one of our design packages or go "a la carte."

Mix and match just the options you want.

Choose from 7 different customization features to create a truly unique look. See pages 14-15.

OR select Checks by Design packages.

Choose a custom border, background, ink color and typestyle for one inclusive price. See pages 16-17.

Logo Customize! Give your checks an impressive touch by adding your company logo, or choose one from our logo library.

Custom Fonts & Inks Customize! Make your name and address stand out with your choice of typestyle and ink color.

Shadow Logo Customize! Optional screen-printed Shadow Logo appears on both the check and payee stub.

Perfect alignment every time!

"I run four non-profit organizations out of my office, each requiring four different checks and they always have what we need. I don't have to worry about anything."

- Jennifer Henderson
Evansville Urban Enterprise Association, Inc.
Evansville, IN

QuickTip Office Manager away?

No problem! You can handwrite Standard and Voucher Checks. Just remember to enter the data later into QuickBooks.

Don't forget matching envelopes!
