Oncology **CONSULTATION**

- ❖ Would you encourage patients at a crossroads to seek national experts?
- ❖ Do your insurance providers require authorization for expensive therapy?
- ❖ Have you ever lost a patient to a second opinion physician?
- ❖ Would you like immediate consultation for challenging cases?

Clinical **TRIALS**

- ❖ Do you regularly enroll your patients?
- ❖ Do you find eligibility and enrollment cumbersome?
- ❖ Would you like the best-matched clinical trials for your patients?

Records **MANAGEMENT**

- ❖ Do you see new patients with incomplete records?
- ❖ Do your patients have records with multiple doctors?
- ❖ Would you refer patients to a comprehensive records service?

Cancer **INFORMATION**

- ❖ Do you currently refer patients to cancer resources?
- ❖ Do you use the Internet as a source for cancer management?
- ❖ Would you like to refer your patients to a personalized resource?

Patient **SUPPORT**

- ❖ Would you refer patients to a Web site for interactive communication with a nutritionist, pharmacist, and/or social worker?
- ❖ Do you encourage or lead patient support groups?
- ❖ Do you ever refer patients to advocacy groups?
