We're dense – with 68 Points-Of-Presence. We have fat T3 fiber optic pipes – to eliminate bottlenecks for unequalled performance. And our "cold potato" routing policy ensures excellent throughput to Internet traffic worldwide. With all this, we're the best choice for high-performance, reliability and affordability. So for Internet access, telecommuting or multi-site interconnections, Brainstorm is the only call you should make.

Business performance features:

- Affordable, high-speed choices: DSL, Centrex ISDN, T1, T3
- Superior infrastructure guarantees uptime
- Most Bay Area Points-Of-Presence
- Business feature package included
- 24x7 fast, qualified, local customer support
- Total solutions: We'll handle everything
